Hello Everyone,

This was sent to me and Frank from a constituent. Can someone please give me an update on the Security contract? This is getting out of hand that RVs are parked in the Greenway. Please advise.

Best,

Hi,

I just wanted you to be aware that I observed an RV backing out of the entrance of the Harbor City Greenway at 255th Street (before the gate) at 7:00 this morning. I'm not sure how long they were there. I noticed a sprinkler pipe broken and also a broken branch from a tree stub. They must have run over it after they jumped the curb.

At 3:00 pm, what appeared to be the same RV parked in the middle of the street at the dead end of Dodge Avenue (north of 255th Street). I called the non-emergency number, but I believe they left before the police arrived.

Also, this is disturbing:

We certainly don't appreciate how the homeless were re-located to McCoy Avenue.

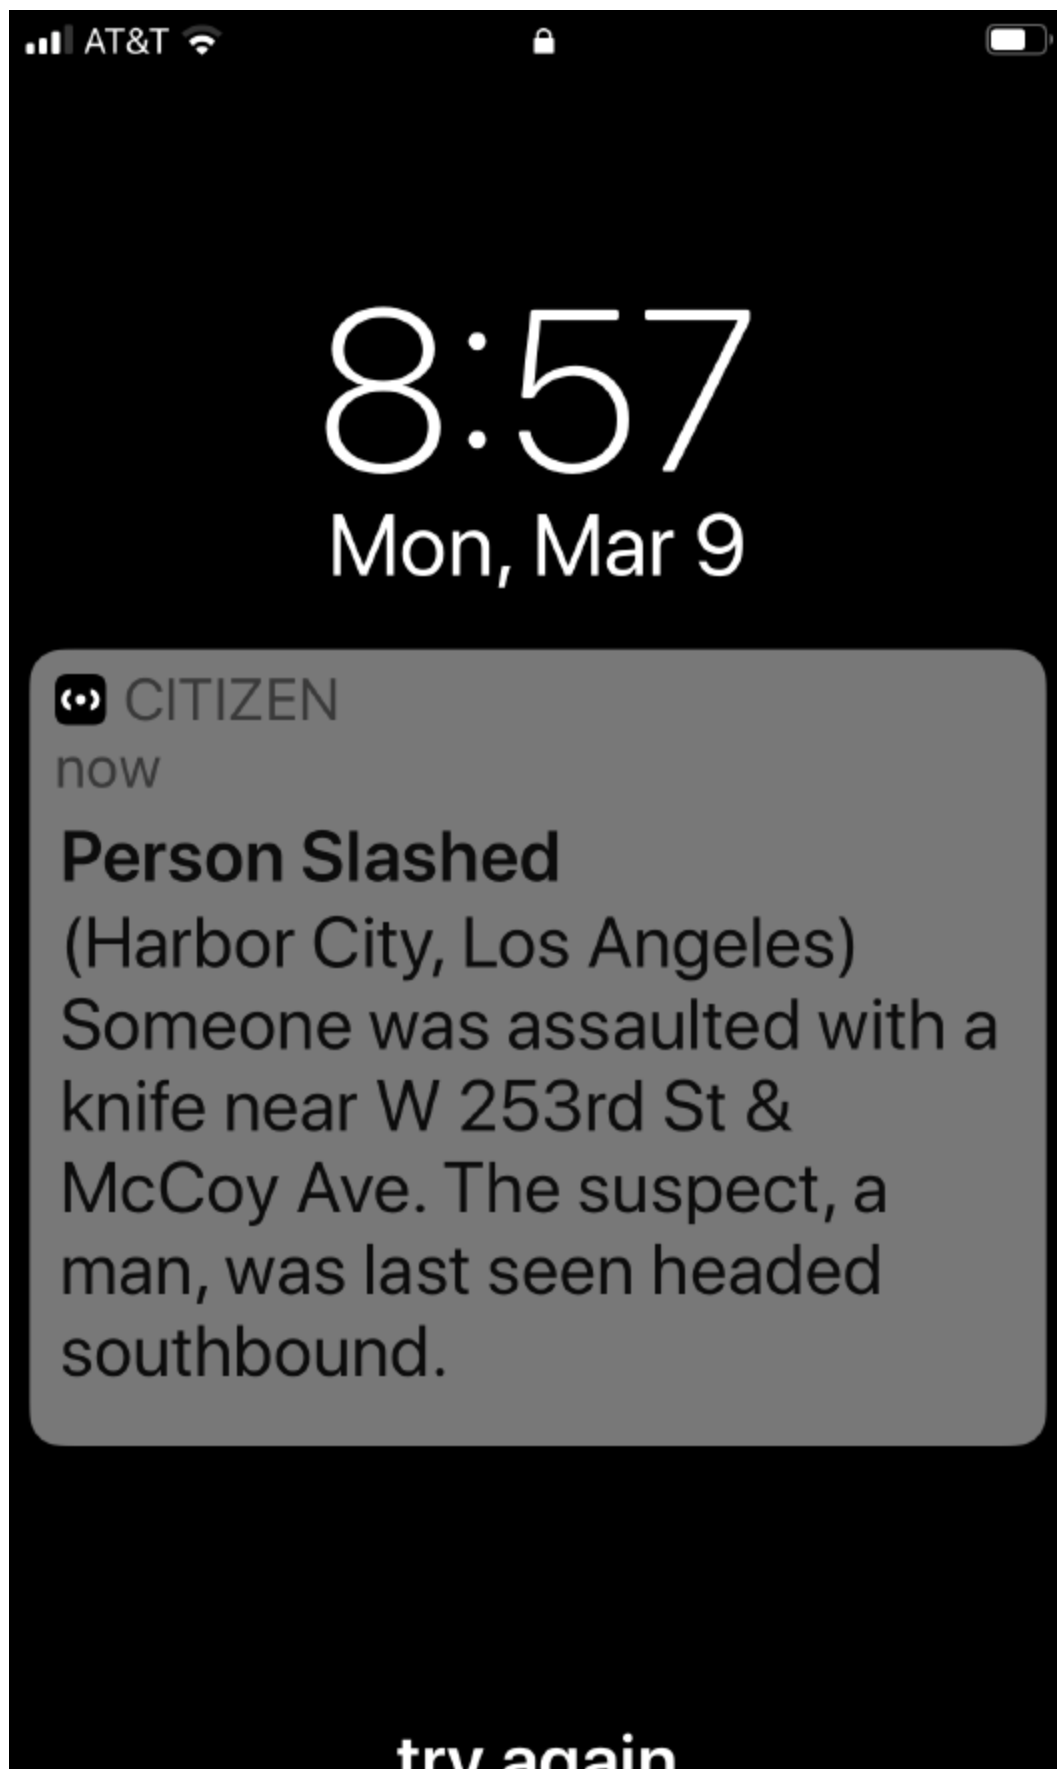

However, I am thankful that they were blocked from coming into our neighborhood during the last clean-up.

Sincerely,

Deborah Coloma
